PREAMBLE

For several years now, the practice of 'Ori Tahiti has been gaining increasing popularity worldwide, to the extent that more and more enthusiasts are making the trip to French Polynesia to perform and/or perfect their technique under the guidance of Polynesian experts in traditional dance.

Based on this observation, *Te Fare Tauhiti Nui - Maison de la Culture* is launching the "*Hura Tapairu Manihini*", a traditional dance competition for small foreign groups with a passion for 'Ori Tahiti.

The organization of this international competition has two objectives:

- To offer international and non-resident line-ups the opportunity to perform in Tahiti;
- To promote Polynesian culture and appreciate its influence throughout the world.

As part of this competition promoting creativity, line-ups from groups will present original works inspired by Polynesian cultural heritage.

1. GENERAL CONDITIONS OF PARTICIPATION

1.1 REGISTRATION PROCEDURES

Any line-up from Tahitian dance groups based outside French Polynesia, legally constituted and registered in its country of origin, is eligible to enter the competition.

Each group represented by a single legal entity may enter **several line-ups** in the competition categories of their choice, provided that the performers on stage in each line-up are different, and with a maximum of three (3) line-ups per group. Please note that entering a line-up in the "*Tapairu Manihini*" category gives access to the "*Mehura Manihini*" category with the same performers on stage.

The stage name of each line-up must be different and should be in the vernacular languages of French Polynesia and spelled correctly.

The registration form is available:

- Online at www.huratapairu.com ;

These dates are published and disseminated through all modern means of communication available to TFTN.

1.4 PARTICIPATION AS A PERFORMER

1.4.1 Minimum Age Requirements

Participants in the Hura Tapairu Manihini competition must meet the following minimum age requirements:

Performer Role	Minimum Age as of the opening night of the competition
Musicians and singers	16 years

¹ Hīmene : song

² 'ōte'a: dance

³ 'ōrero: oratory

Dancers and 'ōrero	16 years
Extras and actors	16 years (exceptions possible if the theme requires younger participants)

1.4.2 Line-ups compositions

With the exception of musicians and backup singers as provided for in Article 1.4.3 of these rules, all performers (dancers, musicians, singers, 'ōrero) in a line-up must not be residents of French Polynesia.

Performers residing in French Polynesia are not allowed, and non-compliance with this clause is eliminatory.

1.4.3 Performer participation

The presence of a band is mandatory for the competition.

However, in the event that the international group does not have the financial or human resources to present a band, *Maison de la Culture* undertakes to facilitate contact between the international line-up and a conductor based in Tahiti in order to set up the band.

If the *Maison de la Culture* provides the band, it will not be graded.

Only musicians and backup singers are allowed to participate in both a *Hura Tapairu Tahiti* line-up and one *Hura Tapairu Manihini* line-up.

Dancers and 'ōrero performing in *Hura Tapairu Tahiti* are not allowed to compete in a *Hura Tapairu Manihini* line-up.

1.4.4 Nominative list

Each line-up participating in the *Hura Tapairu Manihini* is allowed to compete in one or more categories. However, the participants within a line-up, listed by name, must be the same for all competition categories presented by that line-up.

Failure to comply with this rule will result in penalties.

1.5 MODIFICATION AND CANCELLATION OF COMPETITIONS

A competition will be opened in each category only if there are at least three (3) competing line-ups. If this *minimum* is not met, only TFTN may decide whether to validate or cancel the competition.

The first prize will only be awarded if three or more line-ups compete in a category.

If there is only one line-up in a category, it will be awarded the second prize.

If there are two line-ups, they will be awarded the second and third prizes, respectively.

1.6 SCHEDULE

The schedule for non-technical run-throughs, general rehearsals, and competition evenings on the main performance stage is set by TFTN in consultation with the registered line-ups after the registration deadline, and based on the number of line-ups.

Line-ups must strictly adhere to the established schedule.

Any request for schedule changes from line-ups must be submitted in writing to TFTN's management. TFTN will respond as soon as possible.

The final decision will be made in agreement with the impacted line-up.

Final scheduling is the sole responsibility of TFTN.

LINE-UPS IN THE TAPAIRU MANIHINI CATEGORY	Duration
Non-technical run-through	1 hour and 30 minutes
General rehearsal – Soundcheck	20 minutes
General rehearsal – Full run-through	40 minutes

LINE-UPS IN THE MEHURA MANIHINI CATEGORY	Duration
Non-technical run-through	40 minutes
General rehearsal – Soundcheck	10 minutes
General rehearsal – Full run-through	20 minutes

During the non technical run-through, the line-up can take advantage of the time to rehearse on the Grand Theatre stage. TFTN's technical teams are not present. Therefore, line-ups may bring and use their own sound system and musical instruments.

The general rehearsal is divided into two parts:

- Soundcheck is dedicated to the orchestra and TFTN's technical team to complete all necessary technical settings for proper running of the show. Meanwhile, artists may use this time to familiarize themselves with the stage, while respecting the soundcheck process. This segment ends either when the allotted time expires or once soundcheck is complete;
- Full run-through begins immediately after soundcheck. Line-ups rehearse under competition conditions, with all necessary technical and logistical setups.
